The University of the South—familiarily known as Sewanee—fields 23 varsity teams and is a member of the NCAA Division III Southern Athletic Association (SAA).

In this document, Sewanee introduces a new Sewanee Tiger as our secondary mark, joining the already established primary mark—the Tiger S. In addition, the guide outlines new color and font standards. By following the guidelines, the athletic department and its partners can apply the visual elements properly to achieve a powerfully consistent effect.

It is imperative to always use these guidelines when designing any materials for Sewanee athletics. They will not constrain creativity, but ensure the full and beneficial impact of the athletics visual identity.

Purple is the primary color in the Sewanee Athletics palette. Secondary colors are: Vegas Gold, White, and Process Black.

Superstar M54 is the primary font for Sewanee Athletics. It is the only font that can accompany the Tigers S or the Sewanee Tiger. There is no lowercase version. Do not attempt to “create” a lowercase version.

The Tiger S

The Tiger S is the primary visual mark for Sewanee Athletics and should be used most often. Consistent use has made it the recognizable symbol representing Sewanee Athletics.

The Sewanee Tiger

The Sewanee Tiger is the secondary visual mark and should be used to support the primary mark. The Sewanee Tiger should always be facing right. It is the only tiger image approved for use.
