We're a community of bright individuals from across the country and around the world who bring their unique perspectives to the table every-day, supported by Sewanee's Office of Inclusive Excellence.

**NEW.SEWANEE.EDU/INCLUSIVE-EXCELLENCE**

We are always busy walking or cycling or hiking around. We can do this because 99% of us live on campus and many of our professors do as well. We're never bored here.

In addition to clubs, Greek life, student government, civic engagement and so much more, about 34% of us play on our 24 varsity teams competing in NCAA Division III athletics in the Southern Athletic Association.

We also have eight club sports including crew, equestrian, fencing, men's and women's rugby, squash, tennis, and men's volleyball.
