The Klein Family Scholarship allows one selected Hungarian student the opportunity to pursue a four-year bachelor's degree at Sewanee. The scholarship was funded in honor of the late Ms. Linda Klein and covers all direct costs of attendance (tuition, room, board, and fees) for four years. Note, however, that you will still have to budget around \$5,000 every year for your travels, insurance, taxes, and other personal expenses.

ELIGIBILITY REQUIREMENTS:

- You are a Hungarian citizen.
- You are finishing your secondary education in the 2020-2021 academic year from a Hungarian high school.
- You are able to enroll at Sewanee in August 2021.
- You can demonstrate adequate English proficiency to study in the U.S.
- You are a high achiever with strong leadership potential.

IF YOU QUALIFY, don't hesitate to submit your free Common Application by one of our deadlines.
