## SEWANEE PLEDGE

Sewanee has taken a leading role in making a first-rate education more accessible, making scheduling and advising more personal, and making honor central to life on the Domain. Now, we have deepened our commitment by adding our pledge to new students.

- We pledge—to help Sewanee graduates secure good jobs and spots at top graduate programs by providing funding for a summer internship or research fellowship.
- We pledge—to help Sewanee graduates find their place in an increasingly interconnected world by providing access to a semester-long study-abroad program at no additional tuition cost.
- We pledge—that you will graduate in four consecutive years (with one major). If you do not, Sewanee will provide up to one additional year of study tuition-free.

Of course, you will have to do your part, too. But if you meet Sewanee's academic and social expectations, we pledge to make these opportunities available to you.
