With over 350 applications already the program is expanding to be able to meaningfully engage everyone involved. We also aim to foster learning and creativity through this process for the children. This will also allow them an oppurtuinty to take on some responsibility, practice wriiting skills and penmanship.

HILLSBORO, TN

BUSINESS DEVELOPMENT & MARKETING TEAM

Bonner's Business Development & Marketing Team aims to promote the development of businesses and organizations on and around the Cumberland plateau. It is our belief that information (about the business or organization) presented in a clear and concise manner and that is easily accessible plays an integral role in the long-term stability of businesses. Furthermore, we also believe that consistent communication with clients helps to develop trust and lasting relationships with them. With these ideas mind, we plan to empower local business owners and organization heads by providing direct assistance in three primary areas: strategy and consulting Marketing Advanced Analytics.

SEWANEE, TN

CHRISTIANS CELEBRATING GOD'S BOUNTY CLINIC

Sewanee students volunteer at Volunteers in Medicine are responsible for working with the other community volunteers on a variety of tasks that are necessary for the clinic's efficient function: checking patients in (retrieving/making files, taking histories, vitals, blood sugar, etc.), sanitizing patient rooms between uses, locating and properly packaging medication prescribed to a patient, identifying and organizing donated medications categorically, making appointments in person or over the phone, taking/recording phone messages, and any general organization or cleaning that might be necessary at the time. Additionally, students will sometimes have the opportunity to shadow the day's volunteer physician. On these days, the student is able to learn by observing the physician interactions with patients, and also helps the physician in any way that might be needed.

WINCHESTER, TN

COMMUNITY ACTION COMMITTEE

The CAC is a local food bank in Sewanee. Bonners pack groceries once a week, unloading food shipments, organizing shelves, providing support for clients as needed, and starting a garden for CAC. Bonners go to the CAC 1-5 days a week. They also work on organizing food insecurity awareness and alternative ways to help the community. Additionally, CAC interns offer monthly meals to CAC friends and families. Volunteers will help pick up food, cook food, set up tables, talk with clients coming to eat meals, and clean up after the meal. Students can also offer weekly tutoring for elementary-aged children in the adjacent Midway community.

SEWANEE, TN

DIABETES PREVENTION PROGRAM

The Diabetes Prevention program works with the Franklin and Grundy County Health Educator and Assistant Director to Sewanee's pre-health program to develop, implement, promote, and lead a weekly, evidence-based program designed to help prevent diabetes from developing in two counties with low health rankings in a state that is ranked low, nationally, in health. In 2010, 35% of the Grundy country residents reported taking insulin and 30% of the population has adult obesity. Students interested in working with this program apply during the spring semester to work the following year as a Diabetes Education Fellow

SEWANEE, TN

FOLKS AT HOME

Folks at Home is a local non-profit organization developed for and dedicated to assisting its members in continuing a dignified and comfortable lifestyle in the community through coordination of services they need during their elder years. Students working with GSCC will work on: weekly social media posts to educate on substances; attend community meetings to learn about GSCC and their community partners and initiatives; lead educational prevention programming through after-school programs; and coordinate other youth events with substance abuse programming.

FRANKLIN COUNTY PREVENTION COALITION

The Franklin County Prevention Coalition is a community coalition that brings people and organizations together to reduce youth substance abuse and violence through education and prevention strategies in Franklin County.

HERITAGE TRAIL PROJECT

The Heritage Trail Project works to establish a trail recognizing a large part of our community's history and honoring the individuals and places that helped form and shape present day Sewanee. Our mission is to lay the groundwork for the locations that will be marked on this trail to memorialize areas around the Sewanee Domain that are a part of Sewanee's historically black community. Locations such as the St. Marks school, the swimming pool, the cemetery, and other locations are key foundations of Sewanee's black history that have long gone unnoticed, and it's past time to implement the recognition of these significant aspects of the black community within the town.

HOSPITALITY SHOP

Having a presence since 1968, the Hospitality Shop is a volunteer-run business that upcycles, recycles and re-purposes donations to lessen the impact on the environment. Most of the Hospitality Shop's revenue is awarded to Franklin and Grundy County graduating High School students, and in 2013, the shop was able to raise \$29,000 for the hospital programs. Students' tasks and specific responsibilities would include assisting in day-to-day operations, as well as trying to further increase our presence on campus through social media platforms and making the shop more accessible and appealing with Venmo Saturdays.

HOUSING SEWANEE

Housing Sewanee, was founded in 1993 and, since then, the organization has built 18 houses, working with families, providing no-interest loans and financial counseling, and marshaling volunteers who gladly and energetically help with the construction of fine, quality homes.

LEGAL AID SOCIETY OF MIDDLE TN AND THE CUMBERLANDS

The Legal Aid Society of Middle Tennessee and the Cumberland is a non-profit law firm that works throughout the state of Tennessee to "enforce, advance and defend the legal rights of low income and vulnerable families in order to obtain for them the basic necessities of life." This position could help perform research, collect data, as well as potentially translate for staff members working with Spanish speaking clients on issues like criminal problems, child support, immigration, and any other need for free legal support.

MANCHESTER ECONOMIC DEVELOPMENT BOARD

The Manchester Economic Development Board is a community board focused on building sustainable economic development in rural TN. Work includes development of handbook for people exploring starting a small business, web development, best practice research, and program development.

NEW LIFE

This position will work with the clients of New Life, being trained by the staff there to understand the needs and complications around working with adults with disabilities. This position will assist individuals to be as independent as possible; provide direct care for individuals with basic needs including, but not limited to, outdoor education, meals, safety, and other related issues. Individuals will be transported to Sewanee once a week to be led on hikes and other activities on the domain. They are also interested in having art and/or music classes taught to their members.

PARTNERS FOR HEALING

Partners for Healing is a free medical clinic in Tullahoma, TN. They serve 3 counties, over general care, lab work, and referrals. They have a prescription assistance program and offer diabetes education to patients. The clinic is interested in students willing to research and write grants, organize clinic structure, create new initiatives, digitize medical records, educate the clinic on technology and offer cooking demonstrations.

SOUTH PITTSBURG, TN

SOUTH PITTSBURG HIGH SCHOOL + RICHARD HARDY MEMORIAL SCHOOL CORE YOUTH EMPOWERMENT MENTOR

CORE (Connecting Others Respecting Each Other) is a mentoring and empowerment program. The goal of the program is to mentor at risk girls identified by faculty and follow them throughout their high school career. That means bonners will start CORE as a freshman and mentor a group of high school freshman girls, ideally both groups will graduate from college and high school respectively creating a tight bond. Through individual and group mentoring the girls will eventually embody CORE. Part of the goal of this program is to increase in the graduation rates because the girls are learning self worth, goal setting skills, and leadership development.

SOUTH PITTSBURG, TN

SOUTH PITTSBURG HIGH SCHOOL + RICHARD HARDY MEMORIAL SCHOOL EMPOWERMENT MENTOR, "MAN UP"

Man Up is a gender-based youth empowerment focused on educating and mentoring male high school students to develop self-confidence in themselves, hope for the future both in their own lives and their roles in their small-knit communities, and how to have healthy relationships that are both romantic and platonic. The Mentor will develop new curriculum, build a cohort of students from counselor recommendations and through marketing of the program, organize field trips and collaborative experiences with youth empowerment programs at nearby county schools, and establish this new program by mentoring students throughout the school year. Mentors will have bonding meetings on and off campus. We will work together to empower each other and build strong connections.

SOUTH PITTSBURG, TN
