

From the main Budget web page www.budget.com , please enter your data and click on the Offer Codes selector.

A screenshot of the Budget website's reservation form. The form is orange and white. It has two rows for pick-up and return information. The first row has a text box for "Enter your pick-up location or zip code", a date field for "02/20/2024", and a time field for "noon". The second row has a text box for "Return to same location", a date field for "02/21/2024", and a time field for "noon". Below these are several dropdown menus: "Age: 25+", "I live in: U.S.A.", "Add Customer ID *", and "Offer Codes *". The "Offer Codes *" dropdown is highlighted with a red box. There is also a "All Vehicles" button and a "Select My Car" button at the bottom.

In the first box to the left, BCD Code, enter the code **S391892**. This is the University's corporate account number for discounted pricing. Select your car then complete transaction.

A screenshot of the Budget website's reservation form, similar to the one above. The "Offer Codes *" dropdown is now expanded, showing a text box for "Enter an Offer Code" with the value "S391892" entered. There are also fields for "Coupon Code" and "Member Rates". The "Offer Codes *" dropdown is highlighted with a red box. The "Select My Car" button is visible at the bottom.
