## NEXT STEPS

### ENROLL AT SEWANEE.

Reserve your spot in the incoming class by submitting your deposit using the Enrollment Confirmation Form on your Applicant Status Page at [engage.sewanee.edu/apply/status](http://engage.sewanee.edu/apply/status). This deposit is not an additional charge; it is applied directly to your bill.

### LEARN MORE ABOUT WORK OPTIONS.

If work scholarship is part of your Financial Aid Award, visit [admission.sewanee.edu/financial-aid-details](http://admission.sewanee.edu/financial-aid-details) to learn more about our student employment programs. You will begin the process this summer on your Applicant Status Page at [engage.sewanee.edu/apply/status](http://engage.sewanee.edu/apply/status). As an international student this is the only employment available to you.

If you are selected as a Bonner Scholar, you will have a work scholarship position with the Bonner Program

**TAXES AND OTHER CHARGES.** As a scholarship recipient you may be subject to United States taxes on your scholarship depending on the tax treaties with your country. To help you plan we have estimated any potential tax liability on your award notification. You should also plan for an extra health insurance charge if your insurance plan does not work in the United States. These additional costs will not appear on your first bill. You should still plan and budget for them.

### MAKE A PAYMENT.

New students will receive more information about Sewanee's Student Account Center (SAC) [mycollegepaymentplan.com/Sewanee](http://mycollegepaymentplan.com/Sewanee) in early July when your billing statement for Fall (Advent) Semester will become available. This is where you, or your parents, make tuition payments. Your semester balance must be paid in full by July 31; your Spring (Easter) Semester balance is due by Dec. 31.

**LET US KNOW IF YOU NEED ASSISTANCE.** We know that this process can be challenging; we're here to help. If you have questions about your scholarship or work-study, please contact the Office of Financial Aid at [finaid@sewanee.edu](mailto:finaid@sewanee.edu) or 931.598.1312.

### OUTCOMES

Whether it's graduate school or a career, the Sewanee Career Center is here to assist you from the very beginning. Not very beginning as in the beginning of your senior year. The very beginning as in at the start of freshman orientation.

And from the very beginning, the Career Center staff will encourage you to explore summer internships. Then, they'll tell you how they provide nearly \$600,000 to Sewanee students pursuing unpaid internships each summer. Learn more about the Career Center and read student written reports on Sewanee supported

internship experiences at [First Destinations | The University of the South \(sewanee.edu\)](http://FirstDestinations|TheUniversityoftheSouth.sewanee.edu)

The Career Center also works with our students after graduation to see how they're faring in the "real world." Here's what they know about the Class of 2020:

- There were 416 graduates in the Class of 2020. We made contact with 87.5 percent of them within six months of graduation.
- 59.06% are either employed full-time, in the military, or working in internships.
- 14.56% are in graduate or professional school full-time.

- 6.87% received fellowships or are performing volunteer service.
- 18.95% are working part-time, or seeking employment or graduate programs.
- .55% are both employed and continuing education.
- 13.22% did not respond.

# OUR PLEDGE.

Your first official act as a Sewanee student is to sign our Honor Code. By doing so, you are making a two-way promise. To the community and your fellow students, you pledge that you will not lie, cheat, or steal. To yourself, you pledge that you will live honorably. For students entering in the fall of 2022:

- We pledge—to help Sewanee graduates secure top jobs and spots at top graduate programs by providing funding for a summer internship or research opportunity.

- We pledge—to help Sewanee graduates find their place in an increasingly interconnected world by providing you with access to a semester-long study abroad program at no additional tuition cost.
- We pledge—that you will graduate (with one major) in four consecutive years. If you do not, Sewanee will provide up to one additional year of study tuition-free.

Of course, you have to do your part. Meet Sewanee's academic and social expectations, and we pledge to make these opportunities available to you.
