

NEWS FOR SEWANEE FAMILIES

January 2024

Happy New Year! We are so glad to have your students back on the Mountain. Despite the winter wonderland we all enjoyed last week, we're now back in the swing of things with classes, activities, athletic events, and a semester full of excitement.

Tiger Tuesday - April 9

Tiger Tuesday brings together Sewanee alumni, faculty, staff, students, parents, families, and friends to rally support for important initiatives on the Mountain. Mark your calendars to join more than 3,000 other donors who will support the Sewanee experience that day.

Commencement 101 Workshop - Feb. 20

If you have a senior graduating this May, please join us for the Commencement 101 Zoom workshop. We'll walk through all the details of the weekend's events and answer your questions. Do I need tickets? Where do I sit? Where do I stay?

[Register to save your space](#) and join us on Feb. 20.

Perimeter Trail Hike Weekend - April 19-20

Join us for a weekend of celebrating one of Sewanee's most valuable resources; the Domain. Lots of parents have participated over the years and have joined our alumni for this event, which combines hiking, socializing, meals, and fun! It's a great excuse to visit the Mountain (and your student).

We'll take great care of you, so [save your space](#) and register today!

For more activities such as movies, plays, or presentations, there is a stage, a sunroom, and a terrace.

Career Internship and Fellowship Deadlines Approaching

Sewanee's internship and fellowship opportunities are an important way for students to gain insight into a career field, obtain valuable professional experience, and develop new skills.

ACE (A Career Exploration) internships are hosted by alumni, parents, and friends specifically for Sewanee students and take place in a wide range of disciplines and locations. **The deadline for most ACE internships is Thursday, Feb. 15.** The Office of Career Readiness will host drop-in meetings to advise students on how to prepare their applications each day that week, Feb. 12–15. No appointments are necessary. A link to the ACE internship listing is [here](#).

SURF (Summer Undergraduate Research Fellows) is a program that offers on-campus research opportunities for students to work collaboratively with Sewanee faculty. **The deadline for SURF applications is Friday, March 1.** A link to the 2024 SURF opportunities is [here](#).
