

SEI CAMPER CONDUCT RULES

The following rules for conduct should be reviewed with campers upon arrival at Sewanee:

1. Respect others and their property.
2. Do not litter or vandalize.
3. Observe nature- do not disturb. Be sure to stay on trails.
4. Staff must know where you are at all times. Never go anywhere alone- use the truddy system.
5. All vehicles and maintenance zones are off limits.
6. Fires are only to be built in designated areas and only with staff members. This mitigates our risk for wildfires.
7. No firearms, fireworks, weapons, tobacco, alcohol, drugs or pets allowed. Offenders will be sent home immediately.
8. Boys are not allowed in girls' rooms, girls are not allowed in boys' rooms.
9. Participants must turn in car keys upon arrival.
10. Be kind and mindful of others around you at Sewanee- lots of groups will be having camp experiences.

Please keep in mind SEI is a low-tech experience. Participants will only have access to their phones during certain hours of the day. Participants will not have access to their phones at night, during meals, or during field sessions. In the event of an emergency, the SEI Director on-call is available 24/7.

SEI proudly boasts a radical acceptance policy: any comments of a racist, sexist, homophobic or hateful nature will not be tolerated. Comments of this nature reflect poorly upon the participant, are a direct violation of SEI participant expectations, and can result in expulsion from the program.
