

Sewanee Reunions for 0s and 5s/1s and 6s: November 5–7, 2021 FREQUENTLY ASKED QUESTIONS

How will there be enough accommodations for everyone?

We know that even in normal years, it can be tricky to secure accommodations for big weekends. We hope sharing the new date with you now will allow you time to find a place to stay. Sewanee Inn rooms will not be available since they will be saved for the 50th Reunion class members and our reunion award winners.

Many homeowners in Sewanee rent their homes or apartments and use [Airbnb](#) or [VRBO](#) to list them. You will be able to search availability that way and see pricing.

Finally, the alumni office keeps an [accommodation list](#) of homes/apartments that people rent in the area. Unfortunately, it is just a list and you can't see availability or pricing, but is a more comprehensive list than Airbnb or VRBO.

Don't forget about the hotels in Monteagle and the [Monteagle Assembly](#) (which will not be in season in November). There is a [new tiny home community](#) in Monteagle with many rental options. Also, [St. Mary's Retreat Center](#) and [Dubose Conference Center](#) offer options for rooms as well.

Will it be possible for all the classes to have their own reunion parties?

YES! You should not notice any differences in your reunion events. We will make sure your reunion is special with lots of time to reconnect with classmates. We actually think it will be fun to be on the Mountain with the class next to yours since Sewanee friendships span all classes. We will update the schedule and open registration soon [online here](#), so check back for all the news.

Are all reunions moving back to Homecoming weekend going forward?

We will make this decision soon. It's hard to beat the fall colors and the festive campus activity that comes with holding reunions in the fall with Homecoming. The June date gives us more flexibility on campus venues, accommodations, and freedom of the schedule. Right now, we're just moving reunions for this year. We look forward to deciding what is best for our alumni.

What about the Athletics Hall of Fame Ceremony that happens during Homecoming?

The Hall of Fame induction weekend will be held on a different date than Reunion/Homecoming weekend.

What about my reunion gift? When should I make it so it counts for my reunion?

The class years that end in 0 or 5 actually have completed their reunion giving campaign and we were able to celebrate the success virtually in June.

The class years that end in 1 or 6 are currently raising reunion gifts now and all gifts made or pledged by June 30, 2021, will count toward your reunion gift.

It's easy to make your [gift online](#).
