

Teaching of Physics

1. Validating Spread Sheet Solutions to Laplace's Equation. F. X. Hart. Amer. J. Phys. 57, 1027-1034 (1989).
2. Eddy Current Distributions: Their Calculation with a Spreadsheet and Their Measurement with a Dual-Dipole Antenna Probe. F. X. Hart and K. W. Wood. Amer. J. Phys. 59, 461-467 (1991).
3. Solving Multi-Loop Circuit Problems with a Spreadsheet. F. X. Hart. The Physics Teacher. 33, 542 (1995).
4. Spreadsheet Solutions for Ampere's Law Problems with Irregularly-Shaped Conductors. F. X. Hart. Amer. J. Phys. 65, 565-7 (1997).
5. A Microcomputer-Based Phase-Change Experiment. F. X. Hart. The Physics Teacher 36, 98-9 (1998).
6. Computer-Based Experiment to Measure RC. F. X. Hart, The Physics Teacher, 38, 176-7 (2000).
7. "Solving" the Physical Pendulum. F. X. Hart. The Physics Teacher, 42, 150-3 (2004).
