So there is **NO MORE**
SEXUAL MISCONDUCT!

What is Title IX?

A federal law that protects everyone from sexual discrimination and unwanted acts of a sexual nature regardless of:

- Gender
- Gender Identity
- Sexual Orientation
- Gender Expression

This means you have a right to be free from:

- Unequal treatment in educational programs or employment
- Sexual harassment, such as unwelcome sexual advances, stalking, or harassment in any form (including social media)
- Sexual violence, such as sexual assault, dating violence, or domestic violence

We encourage you to report! Remember that many faculty and staff are required to report all information about sexual misconduct to the Title IX Office. The University responds to all reports. See the Title IX website for information on investigations.

If you feel that you or someone you know is a victim of sexual misconduct or that there has been a violation of Title IX or the Sexual Misconduct Policy, please contact:
