

Sewanee Police Department

Weapons Disclosure Form

I, _____, an employee of The University of the South understand under Tennessee law, employees who have valid handgun carry permits are allowed to bring a weapon covered by that permit onto University parking lots during their scheduled work hours, provided that the permitted weapon is kept in a locked vehicle owned by the employee, and so long as the weapon is not visible and locked in the trunk, a glove box, or gun safe. The weapon may never be removed from the employee's vehicle while it is on University campus property.

I further understand any employee who intends to have a permitted weapon in his or her vehicle while on a University parking lot must provide proof that the employee has a valid handgun carry permit and owns the vehicle in which it will be stored. Employees who fail to abide by these carry permit rules will be subject to discipline, up to and including discharge.
